Hybrid Webinar Invite

Series

Her-Tech:
Igniting Women's Digital Futures Series

Join us for an empowering workshop series dedicated to building a community of digitally skilled women!

Empower Your Digital Future:
- Enhance your digital literacy and tech skills
- Learn essential web browsing and online safety techniques
- Master professional online presence management
- Gain insights into cloud computing and productivity tools

Build Your Tech Community:
- Connect with like-minded women in technology
- Share experiences and learn from peers
- Create lasting networks for support and growth
- Be part of a movement transforming the digital landscape

Event Highlights:
- Inspiring launch event with industry and academic leaders
- Hands-on workshops on crucial digital skills
- Interactive sessions on navigating the tech world as women
- Discover resources and support for your ongoing digital journey

Don't miss this opportunity to ignite your digital future and join a community of empowered women in tech!

For information relating to the workshops, you can email ADOVH@unisa.ac.za.
