

# Event Invite

## Immersive Experience

# Reimagining yourself in the Metaverse: Becoming a Digitally Resilient Student

## Join Us for an Unforgettable 2-Day Digital Journey in the Metaverse!

The Academic Development Open Virtual Hub (ADOVH) invites you to an exciting Immersive Learning Event in the Metaverse, where you'll connect, explore, and build digital skills for the future!

### What Awaits You?

- Learn to use your mobile device for online learning.
- Become involved in the Her-Tech community.
- Learn how to use Generative AI in education.
- Learn educational resilience as a differently enabled student.
- Learn about the challenges and opportunities in quality insurance.

### Why You Should Attend:

- Interactive & Hands-On – Engage in real-time activities, network with peers, and build new digital skills.
- Be ready for the future - Engage with cutting-edge innovation
- Treasure hunt – Participate in the treasure hunt to win prizes.

*Don't miss this one-of-a-kind immersive event designed to assist you with your studies!*
