# Information Session

## Microsoft AI Skills Navigator Hack-a-Thon

*Are you ready to take your AI skills to the next level?*

*Are you able to create a unique, impactful solution to a real-world problem?*

Join us for an information session for the AI Skills Navigator Hack-a-Thon hosted by Scadco and Microsoft.

This event offers a unique opportunity for you to gain hands-on experience building intelligent solutions. Participants will harness the synergy of **Microsoft AI Tools and Copilot's assistance** to accelerate their development process and unlock new possibilities.

### Event Highlights:

- Gain **practical experience** with cutting-edge AI tools
- Collaborate with peers and **industry experts**
- Stand a chance to win **exciting prizes!**

Begin your journey by exploring the resources available at
